

## 6<sup>th</sup> Annual Faith's Walk

Date: Saturday May 3, 2014 at Roger's Park, Sparta, MI.

Time: Registration begins at 8am, Walk starts at 9am.

LIVE BAND 8am-9am!

This year there will be a special guest speaker...a young man who was born with congenital heart disease and has survived & thrived through 3 open heart surgeries. Tyler Sajdak will be sharing his story with our walkers!

Faith's Walk is our major fundraiser to support research for congenital heart disease. Since Faith's Angels was founded we have been able to designate \$75,000 to CHD research! We are setting a goal of \$15,000 this year.

NEW this year...we have added tables so kids & adults alike can write/draw messages to heart families in the hospital, "*Messages of Hope!*"

### You may get involved in our Faith's Walk event in the following ways:

1. Become a **Walker!** Walkers can earn a free Faith's Walk t-shirt and free breakfast with \$100 or more in collected donations. We ask each walker to strive for a minimum of \$100, so more is greatly appreciated. **E-mail me back with WALKER in the subject line**, I will send you tips on how to raise money quickly and easily. I will also attach the needed registration & donation forms. **Please register by April 12 to guarantee a Walk t-shirt in your size!**
2. Have you walked before? Then you are ready to **create a Team** for Faith's Walk. Gather your friends/family/co-workers/neighbors and Faith's Angels will provide all the needed registration and donation forms. Simply **reply with TEAM LEADER in the subject line** & I will respond with all the necessary forms. A team leader is just like a walker but you bring more walkers with you and one more form that lets us know who you recruited.
3. **EAT!** Attend our **\$5 All-You-Can-Eat Pancake Breakfast** at the Sparta Civic Center on Saturday, May 3<sup>rd</sup> from 7:30am-10:30am. Please purchase tickets in advance by April 24<sup>th</sup>. You may **reply with EAT in the subject line** and let me know how many tickets you would like.
4. **Volunteer!** We have a variety of ways you can give your time/talent to raise awareness and research funds for congenital heart disease.
