

June 2012

Dear valued supporter,

We appreciate you time, your donations and your prayers. This year we've surpassed some goals, broke fundraising records and felt your love and support for kids born with CHDs! Below you will find a summary of Faith's Walk and some upcoming events for your prayers and your calendar. Please feel free to contact us anytime with questions.

Faith's Walk 2012

This year we raised over \$10,000! Thank you to all who participated and donated! Mark your calendars for next year's Faith's Walk on Saturday May 4, 2013!

Faith's Angels meets with Cardiology staff at U of M!

Our Faith's Angels boards of directors have been invited to visit the University of Michigan to meet with the staff and faculty of the pediatric cardiology department to speak about our research grant! This visit will happen on Wednesday June 13, please keep our directors in your prayers! We hope to really open the hearts of the staff and touch someone in a way that will encourage their efforts in changing the lives of heart children even further than their facility already does.

Whitecaps Outing for congenital heart disease awareness!

Last year we had a record 248 attend, we are currently selling tickets for this year's outing. Join us on Wednesday, August 1st, 2012. Tickets are just \$10.50 per person or \$14.25 with a hot dog and pop (save \$\$ versus buying food at the ball park). \$2.50 of each ticket purchased through Faith's Angels comes back to Faith's Angels for congenital heart disease research and awareness!

Reserve your tickets by July 9th! Call 616-887-5844 or email monica@faithsangels.org to place your order. Tickets will be dispersed in mid-July but payment is needed by July 9th. Kids under the age of 2 sitting on a lap do not need a ticket.

If you are willing to hang flyers for this event on local community boards please contact us and we will get you printed flyers. We can also email you the file if you wish to print one.

Town & Country Day Parade

Saturday, July 14, 2012 will be Faith's Angels last stroll through the Town & Country Parade. Please join us to hand out flyers, apples and give some heart kids a grand entrance. This year's parade is starting at noon. We will contact volunteers with a meeting time to line up for the parade. We will provide cold water for all volunteers – thanks to Bayes Water Treatment!

***If you are, know or have a child with a CHD we want CHD survivors at the parade! We are decorating a truck and/or trailer to drive kids through the route in style to raise awareness for CHDs! Please let us know by **June 30** if you will be able to help.

Fall Craft Show

This fall we are excited to announce that we are participating in a busy local craft show. How can you get involved? Donate your handmade goods! We are looking for anything you have created from scarves, hot pad holders, scrubbies, blankets, jewelry, soap, and more. Faith's Angels will be hanging our 6 foot banner above our booth to raise awareness for CHDs while selling goods to raise funds for much needed research. E-mail us at monica@faithsangels.org if you would like to donate or work at the table this fall. The date and location of craft show will be announced at a future date.

If you wish to be removed from this e-letter please reply with "REMOVE" in the subject line.
