Dear loyal supporter,

As 2012 comes to a close I just wanted to review this year and allow you to mark your calendar for some of our annual events in 2013.

In 2012 Faith's Angels accomplished all the following:

- Spread our Paper Hearts Campaign, in its' second year, to new communities including Casper, Wyoming and raised over \$2,000 one dollar at a time!
- Ruffled off our first quilt thanks to Lois Wheeler who supplied materials and Jean DeHaan's awesome quilting skills, raised near \$500!
- Held our 4th annual Faith's Walk & pancake breakfast with new heart families and new walkers along with returning walkers and volunteers. Special thanks to everyone who makes this event possible including the men of the Sparta Lions Club.
- Faith's Angels board of directors were invited down to Ann Arbor to discuss research possibilities and receive a thank you for donating over \$30,000 for CHD research.
- Faith's Angels chose two state of the art research projects to invest \$15,000 to impact the lives of all heart babies & their families; ultrasound therapy (instead of in-utero surgery) and genetics research so a simple blood draw can tell doctors what medications will have the best result based on the child's genetic makeup to keep up a forward momentum during treatment.
- Held our 6th annual Whitecaps Outing, with nearly 300 supporters in attendance!
- Spread awareness to nearly 40,000 people at the Rock The Rapids Music Festival in August while raising some funds for CHD research.
- Participated in a craft show for the first time to raise awareness for CHDs while selling MANY donated goods for CHD research - near \$500 was raised from this event.
- IN 2012 FAITH'S ANGELS RAISED OVER \$24,000 FOR CHD AWARENESS AND RESEARCH - our best year yet!
