

March 2016 Newsletter

Research Update!!!! <http://faithsangels.org/ResearchUpdate2016.pdf>

Exciting things are happening, dreams/concepts becoming reality....all thanks to your wonderful support!

We are also excited to announce we have invested \$7,500 into 3 cutting edge research projects for 2016. For details visit <http://faithsangels.org/ResearchUpdate2016.pdf>

Faith's Angels has raised nearly \$150,000 for congenital heart disease research and awareness! We are so excited that we've been able to really impact the future for kids with heart defect...THANKS TO YOUR SUPPORT! It means so much that you join us in Faith's memory to change the fate of babies like her.

Saturday May 7 – Faith's Walk

Our annual fundraiser is approaching fast! Please do download a walker form & donation form from <http://faithsangels.org/FaithsWalk.html>

Our premier fundraising event. In the last 7 years Faith's Walk has generated \$81,000 for CHD Research and awareness! Registration for walkers begins at 8am, walk ceremonies begin at 9am.

Faith's Angels created Faith's Walk as a way to generate awareness for heart defects while also generating much needed funds for research. The two mile walk takes you on a tour through historic downtown Sparta. Eighty percent (over double that of national organizations) of proceeds from Faith's Angels go directly to CHD (congenital heart disease) research!

Faith's Walk is held annually at the Civic Center in Sparta, Michigan on the first Saturday of May. Sparta was chosen because it was Faith's hometown and her family received so much love and support from the Sparta community during Faith's diagnosis, life and death.

Faith's Angels Inc. is a 501c3 nonprofit organization.

Faith's Walk is a dream in the making for Faith's family and other heart families like hers. It is our hope and prayer that future babies with any type of CHD will have a better quality of life due to funds raised by Faith's Walk!

This is a 2 mile walk on a one mile loop (so anyone not feeling well enough may stop half way.) Heart families are present so walkers may ask them what daily life is like and meet their children.

Have a Heart? Change A Child's! Sign up to walk today or be a team leader and recruit more walkers. We ask that each walker raise a minimum of \$100.

Please email monica@faithsangels.org with any questions.

See more details or download walker forms at <http://www.faitsangels.org/Walk.html>

Strike the Rock, a local live band, will be playing during our registration hour!

Messages of Hope table - we will have participants create letters/drawings (during breakfast/registration hour) of encouragement for heart families in the hospital!

Please mark your calendars for some important dates coming up, details found below.

Saturday May 7 – All you can eat Pancake Breakfast

PLEASE INVITE YOUR FRIENDS TO THIS YUMMY BREAKFAST FOR A VERY WORTHY CAUSE!

For \$5/person you can get an all you can eat pancake breakfast! In addition to the wonderfully tasty pancakes there will be beverages, eggs and sausage while supplies last. The Sparta Lions Club graciously cooks this hot and ready breakfast!

All proceeds come directly to Faith's Angels for congenital heart disease awareness and research!

PLEASE order tickets ahead (by calling 887-5844 or email monica@faithsangels.org) so we can plan for the food.
